

MAPS Special Speaker!

Racial Disparities in Healthcare: Causes and Solutions

Speaker: Dr. Leslie Farrington

Dr. Farrington is a retired OB/GYN with a second career as a patient safety educator and activist for racial health care equity. She is a developer for A.S.K. for Your Life Campaign, a Pulse CPSEA community program promoting racial equality in healthcare through patient engagement. She completed her medical training at Howard University.

When: November 29th 6:00pm

Where: SCA 101
